PRIME TECHNOLOGY GROUP, LLC HOSTS “FEEDBACK FOR THE FUTURE”

Prime Technology Group Invites Healthcare Professionals to Get a Taste of the Healthcare IT’s Future with Predictive Analytics Technology

Thursday, July 8, 2015 (Wayne, PA)-Want to learn more about how predictive analytics is improving healthcare technology? We invite you to join us for a [healthcare IT focus group](#) on Monday, July 20th. You will learn about the machine learning predictive analytics that can access and analyze patient history, illness triggers, and then statistically predict the best patient diagnosis/ intervention down to the precision of time-oriented treatment that must be administered.

Prime’s **“Feedback for the Future”** event, will focus on details of Prime’s revolutionary predictive analytics and machine learning capabilities. You will learn about real-time implementations within a local children’s hospital accompanied by food, drink, and a free gift between 6:30-8:00 PM at our 940 West Valley Road, Suite 1500 in Wayne, PA 19087.

Your time and opinion is of value. Come join us and share your insights on Prime’s predictive analytics, giving perspective to the healthcare industry. Become a part of Prime’s feedback focus group, where the evening’s highlights will help you, help others. For registration information, call **610-205-8794**.
