PRIME TECHNOLOGY GROUP, LLC HOSTS “PRIME TIME GET TOGETHER”

Prime Technology Group, LLC invites individuals with vested interests in the IT field (CIOs, CTOs, CMOs, etc.) to get together and converse about Prime’s predictive analytics, big data, telematics, and cloud based technology.

Thursday, July 23, 2015 (Wayne, PA)-Calling all business professional in the IT, Healthcare, and Insurance industries: Prime Technology Group, LLC is hosting a “[Prime Time Get Together](#)” to discuss the latest developments in Prime’s predictive analytics, big data, telematics, and cloud based technology. On August 12 and 6:30 PM, gain insight into how Prime is taking these technologies to the next level, all the while enjoying free food and drinks at Creed’s Seafood and Steaks.

Prime technology experts and project managers will be available to engage in conversation about the emerging technologies in their field. Of particular interest, Prime’s predictive analytics utilize machine-learning algorithms to improve patient care and prevent readmission in the healthcare industry, while Prime’s telematics solutions take the form of a mobile application that showcases 14 customer/driver features, sure to take the insurance world by storm.

Due to Prime’s framework flexibility, Prime’s technology solutions are customizable and can be implemented using software that your business currently employs. By sharing your IT vision with Prime, Prime will put its motto into motion: Bringing Visions to Life.

Creed’s Seafood and Steaks is located at 499 [North Gulph Road in King of Prussia, PA 19406](#). For registration information, call 610-205-8794.
